01 Brief

Present the project with a
captivating tagline and a brief
overview of the results.

Present the project with a
captivating tagline and a brief
overview of the results.

Provide an overview of the brief and background of the project.

Who's the client?

Introduce the client or partner you worked with. What do they do? What is their mission? What is their business model?

What was the clients problem?

Outline the problem the client approached you with. Did they have a brief from the start, or did you formulate that together?

What opportunities did you identify?

Explain your motivation here. What persuaded you to take on this project? What was the opportunity it offered?
